Affordable Propane first and foremost would like to extend our sincere thoughts to all the Worley and Obetz customers during this confusing and uncertain time. Please know that we, as a company, are here to help in any way we can to make the transition a smooth and easy for you.

We also realize that time is moving forward and decisions will have to be made in the near future in regards to tanks, service and delivery. Affordable Propane is located just south of the Buck. We service all of Lancaster County. It is where we call home.

Affordable Propane offers a variety of options in regards to delivery both for owned and lease tanks. Our prices are competitive and we offer budget plans, automatic delivery service as well as service to your air conditioners, furnaces and boilers. We do not charge any extra fees such as a hazmat fee or fuel recovery fee. We are also excited to roll out a new price lock program in a few weeks which lock in your cost per gallon for the season.

Kylee and Deb work in our office Monday-Friday from (insert hours) and would love the opportunity to answer any and all of your questions. They will give you more comprehensive information to help you with all of your decisions.

We are excited to start this new business endeavor with you and look forward to your call. Please call us at 717-786-4149 or visit our website at www.affordablepropanepa.com.
